

**Hanan Yanny**  
12 Wade Rd  
Claremont  
Cape Town  
7708

1962  
Born in Saudi Arabia.  
Egyptian and British Nationality,  
SA permanent resident.

Studied in Scotland and England.  
University of London B.Sc. Nutrition (Hons)  
University of Bath M.Sc. Development Studies.

Necklace - Handmade paper, wire, beads and string.

My motivation for the pieces I make is simply to play and to have fun. I work as much as possible with the simplest of materials, preferably recycled, and I choose to put our resources into the women working with me. My work is intended to have lightness of spirit and movement, and to bring a smile to the heart of the wearer.
